Before the October meetings

Reading copy of selected passages from two emails received by John Wingo. These passages establish when support staff contacted John, their stated roles and the home visit they scheduled. Individual information about the child is omitted.

SEPTEMBER 5, 2025 / Serena Johnson to John Wingo

Subject: Pikes Peak State College - Serena Johnson

“My name is Serena Johnson and I am the Behavioral Health Consultant at Pikes Peak State College. My job is to provide classroom wide supports and encourage social emotional learning amongst all of the students.”

Johnson also told John she had tried to reach him by phone that week. This email establishes contact about classroom support. It does not set out the terms of a signed evaluation consent.

SEPTEMBER 22, 2025 / Marcy Van Etten to John Wingo

Subject: Outside/Private Speech therapists

“Here is a list of providers for speech therapy (outside of CPCD). I spoke to the Assistant Director for Support Services here at CPCD. I was able to find out some things, but I am not that familiar with the evaluation process through some of the other districts.”

Van Etten directed John to Mary Beth Reichert, Assistant Director for Support Services, and identified the planned home visit: “I’m looking forward to meeting you at our home visit on 10-13-25 at 1:15.”

To determine what evaluation was authorized, compare the dated consent, any amendment and the service record. These messages identify contacts and appointments.
